

The best of Swiss milk

Swiss milk, pure taste.

Dairy delights made from 100 % fresh milk
by Emmi, the # 1 dairy company in Switzerland.

About Emmi — the best of Swiss milk

Emmi's main mission is to create the best premium-quality dairy products to delight consumers worldwide. As Switzerland's #1 dairy brand, Emmi only uses pure Swiss milk, produced by cows that graze on the fresh grass and herbs of the unspoilt Swiss meadows.

Superior quality and taste are the result of using the finest milk and high-quality ingredients. Along with our traditional know-how, technical expertise and passion to create the best possible dairy products. Supported by international standards (FSSC 22000 / HACCP, Halal).

Emmi dairy delights: naturally Swiss.

Enjoy the pure natural taste of our original Swiss dairy products! Made from fresh Swiss milk according to high Swiss quality standards, they are produced and packaged in Switzerland by Emmi.
